

Assembly Bill No. 50—Committee on
Legislative Operations and Elections

CHAPTER.....

AN ACT relating to elections: revising provisions governing the dates for certain city elections: revising provisions relating to candidates in certain city elections: and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under the Nevada Constitution, the Legislature may require city elections to be held in even-numbered years on the statewide election cycle by amending: (1) the general law governing cities and their elections; and (2) the charters of the cities organized under special legislative acts or the commission form of government. (Nev. Const. Art. 4, § 27, Art. 8, § 1; chapters 266, 267 and 293C of NRS) In transitioning city elections to even-numbered years, the Legislature may shorten or lengthen the existing terms of office of elected city officers, without violating federal and state constitutional limitations, where the object of the legislation is to regulate the time of holding city elections, and not merely to reduce or extend the terms of particular incumbents. (Nev. Att'y Gen. Op. 2005-02 (Feb. 8, 2005); *Spencer v. Knight*, 98 N.E. 342, 346 (Ind. 1912); *Long v. City of New York*, 81 N.Y. 425, 427-28 (1880); *Lanza v. Wagner*, 183 N.E.2d 670, 673-74 (N.Y. 1962); *State ex rel. Voss v. Davis*, 418 S.W.2d 163, 167-72 (Mo. 1967))

Existing law authorizes the governing body of a city incorporated pursuant to general law to choose by ordinance whether to: (1) hold city elections on the statewide election cycle; or (2) hold a primary city election on the first Tuesday after the first Monday in April and hold a general city election on the second Tuesday after the first Monday in June of odd-numbered years. (NRS 293C.115, 293C.140, 293C.145, 293C.175) Existing provisions of various city charters also authorize the cities incorporated under those charters to make the same choice by ordinance regarding the dates of their city elections, and some of the charter cities currently hold their city elections on the statewide election cycle in even-numbered years, while other charter cities currently hold their city elections in odd-numbered years.

Sections 1, 2, 4, 5, 6.4, 7.4 and 17-50 of this bill require that all cities hold elections on the statewide election cycle beginning in the year 2022. Sections 3, 3.8, 6.2, 7.2 and 8-16 of this bill amend various provisions relating to city elections, such as the date for filing declarations of candidacy, in order to facilitate the transition to the statewide election cycle.

Under existing law, the cities of Ely and Fallon are the only cities incorporated pursuant to general law that currently hold their city elections in odd-numbered years. To carry out the transition to the statewide election cycle in those general-law cities, section 51 of this bill provides that officials of those cities who were elected in 2017 will hold office until the city elections are held in 2022, and officials of those cities who will be elected in 2019 will hold office until the city elections are held in 2024.

Certain charter cities currently hold general municipal elections in June of odd-numbered years (Boulder City, Caliente, Henderson, Las Vegas, North Las Vegas and Yerington). Sections 17-50 of this bill amend the charter of each of those cities to require that the cities hold their city elections on the same dates as the statewide election cycle in even-numbered years. Section 52 of this bill provides for the terms of office of officials of such cities who were elected in 2017 or who will be

Re: Appraisal Bid for Road Acquisition, Ely, Nevada

Dear Mr. Odgers:

Please accept this as my bid to appraise the acquisition of a road in Ely, Nevada via a friendly condemnation.

Our fee is \$3,500 and the appraisal will be delivered to you within four weeks of your notice to proceed. The appraisal will be prepared to comply with the most recent version of the Uniform Standards of Professional Appraisal Practice. We will provide three hard-copies, and one electronic copy of the appraisal report. The report will be used to establish the current market value of the property for possible acquisition. I have not appraised this property in the past 3 years.

Thank you for giving me the opportunity to provide you with a quote for appraisal services. I look forward to working with you.

Respectfully submitted,

B. NEW BUSINESS

1. Councilman Hanson – NNRDA Eastern Economic Development Officer Donna Bath – Discussion/For Possible Action – Approval of support letter for the Northeastern Nevada Regional Development Authority’s (NNRDA) 2019 application for Economic Development Services.
2. Mayor – City Clerk Lee – [Discussion/For Possible Action](#) – Selection of decorative light pole preference and least desired for NDOT Aultman Street project, per NDOT’s request.
3. Council Members – City Attorney Odgers – [Discussion/For Possible Action](#) – Selection of bid to appraise the possible acquisition of Avenue A AND/OR review of legal appraisal requirements.
4. Mayor – [Discussion/For Possible Action](#) – Appointment of Councilman Jim Alworth, with City Council’s consent, to serve as an Appointed Director on the Nevada Northern Railway’s Board of Directors.
5. Mayor – [Discussion Only](#) – Interview of candidates for City Treasurer position, the applicants are Robert Dugan, Mary Herrera and Janette Trask.
6. Mayor – Discussion/For Possible Action – Acceptance of the Mayor’s selection for appointment as the City Treasurer and determination of salary.
7. Council Members – City Clerk Lee – Public Works Supervisor Cracraft – Discussion/For Possible Action – Designate Public Works Supervisor Cracraft as Animal Control Supervisor.
8. Council Members – City Attorney Odgers – Discussion/For Possible Action – Ratification of Mayor Van Camp’s prior approval to allow recruitment for a temporary legal secretary intern. Former temporary legal clerical assistant, Teri Doty, resigned her position effective June 7, 2019.

9. Mayor – [Discussion/For Possible Action](#) – Appoint heads for the following four departments from Council Membership, per City Code 1-5-6: Public Safety; Health and Sanitation; Street; and Parks and Recreation. The Mayor is responsible for the Administration Department.
10. Mayor – Discussion/For Possible Action – Confirmation of Mayor’s appointment of Councilman Jim Alworth to the White Pine County Regional Transportation Commission, White Pine County Tourism and Recreation Board, White Pine County Board of Equalization, White Pine County Debt Management Commission and Eastern Nevada Landscape Coalition.
11. Mayor – Council Members – City Clerk Lee – Discussion/For Possible Action – Approval to place Mayor, two City Council Members, City Clerk and City Treasurer on the signature cards for the City’s accounts at *First National Bank of Ely*.

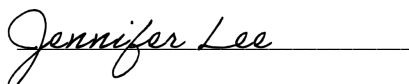

13. PUBLIC COMMENT: Comments not exceeding three (3) minutes in length will be accepted from the general public in attendance. If any are made, there may be discussion upon those comments. No vote, decision, or action may be taken upon matters raised under this item until it is formally placed on the agenda. “Section 7.05, of the Nevada Open Meeting Law Manual indicates that the Public Body may prohibit comment if the content of the comments is a topic that is not relevant to or within the authority of the Public Body or if the content of the comments is willfully disruptive of the meeting by being irrelevant, repetitious, slanderous, offensive, inflammatory, irrational or amounting to personal attacks or interfering with the rights of other speakers”.

14. ADJOURNMENT: THE MEETING MAY BE ADJOURNED BY APPROPRIATE MOTION OF THE CITY COUNCIL.

* Open session – Action/Discussion – Personnel** The meeting may be closed by appropriate motion for the purpose of discussion on any matter allowed under N.R.S. 241.031 and 241.033, (1) nothing contained in this chapter prevents a public body from holding a closed meeting to consider the character, alleged misconduct, professional competence or physical or mental health of a person/employee. (2) A public body may close a meeting upon a motion, which specifies the nature of the business to be considered. (3) This chapter does not: (a) Apply to judicial proceedings. (b) Prevent the removal of any person who willfully disrupts a meeting to the extent that its orderly conduct is made impractical. (c) Prevent the exclusion of witnesses from a public or private meeting during the examination of another witness. (d) Require that any meeting be closed to the public. (e) Permit a closed meeting for the discussion of the appointment of any person to public office or as a member of a public body. (4) The exception provided by this section, and electronic communication, must not be used to circumvent the spirit or letter of this chapter in order to discuss or act upon a matter over which the public body has supervision, control, jurisdiction or advisory powers. In accordance with Federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, the USDA, its Agencies, offices and employees, and institutions participating in or administering USDA programs are prohibited from discriminating based on race, color, national origin, religion, sex, gender identity (including gender expression), sexual orientation, disability, age, marital status, family/parental status, income derived from a public assistance program, political beliefs, or reprisal or retaliation for prior civil rights activity, in any program or activity conducted or funded by USDA (not all bases apply to all programs). Remedies and complaint filing deadlines vary by program or incident. Persons with disabilities who require alternative means of communication for program information (e.g., Braille, large print, audiotape, American Sign Language, etc.) should contact the responsible Agency or USDA’s TARGET Center at (202) 720-2600 (voice and TTY) or contact USDA through the Federal Relay Service at (800) 877-8339. Additionally, program information may be made available in languages other than English. To file a program discrimination complaint, complete the USDA Program Discrimination Complaint Form, AD-3027, found online at <http://www.ascr.usda.gov/complaintfilingcust.html> and at any USDA office or write a letter addressed to USDA and provide in the letter all of the information requested in the form. To request a copy of the complaint form, call (866) 632-9992. Submit your completed form or letter to USDA by: Mail: U.S. Department of Agriculture, Office of the Assistant Secretary for Civil Rights, 1400 Independence Avenue, SW, Washington, D.C. 20250-9410; Fax: (202) 690-7442; or Email: program.intake@usda.gov.

For access to the public packet, contact the City Clerk at 501 Mill Street, Ely, Nevada 89301 or call (775) 289-2430; all packet material is posted in the agenda’s hyperlinks or under “Minutes” / “Other” on the City’s website at <http://www.elycity.com/>

I, Jennifer Lee, City Clerk, did cause to be posted on **June 10, 2019** at **8:00 a.m.** five (5) notices of the Ely City Council Agenda in said City of Ely to wit: Posted at the doors or bulletin boards of City Hall located at 501 Mill Street, White Pine County Library located at 950 Campton Street, White Pine County Courthouse located at 801 Clark Street, the U.S. Post Office located at 2600 Bristlecone Avenue and the White Pine County Sheriff’s Office located at 1785 Great Basin Boulevard. The meeting notice is also posted on the City of Ely’s website at <http://www.elycity.com> and the State of Nevada Public Notices website at <http://notice.nv.gov>.

12 JUN 8:15AM

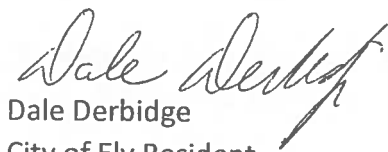

Mayor Robinson
Ely City Council

June 12, 2019

Concerning item 11.1 on the June 13th agenda, I would like to remind the council that the Northern Nevada Railway Foundation requested to be an autonomous organization and have no ties to the City of Ely. A previous council granted their request. They are operating as a private business. Their meetings are not open to the public and they do not have to follow the open meeting law. Since the Foundation is a private business with a Will Serve Application, they should be required to pay the tap fee of \$4637.50. If the waiver is granted it will set precedence for every business and homeowner coming to the city for sewer and water services. The purpose of the tap fee is to build up cash reserves to maintain the city's infrastructure. If tap fees are waived, the cash reserve will soon dwindle to nothing, and where does that leave the city?

Thank you for considering my concerns.

Sincerely,

Dale Derbidge
City of Ely Resident

1-5-6: DEPARTMENTS OF CITY COUNCIL:

- A. Designation⁶: The city council is hereby segregated into five (5) departments to be known as the public safety department, health and sanitation department, parks and recreation department, street department, and administration department. (Prior Code § 2-27)
- B. Department Heads: The mayor shall be responsible for the administration department. The mayor shall further appoint from the council membership departmental heads for the remaining four (4) departments. (Prior Code § 2-27A)
- C. Scope And Jurisdiction: The scope and jurisdiction of such departments shall be the following:
1. Administration Department: The administration department shall include the city clerk's office, city court and parking meters.
 2. Public Safety Department: The public safety department shall include the police and fire departments.
 3. Health And Sanitation Department: The health and sanitation department shall include the landfill and sewage treatment facility.
 4. Street Department⁷: The street department shall include all city streets and storm drains.
 5. Parks And Recreation Department: The parks and recreation department shall include the city parks and the city cemetery. (Prior Code § 2-27B)
- D. Operating Heads: The present operating heads of the various departments shall be placed under the immediate supervision of the councilmen selected as department heads as provided for under subsection A of this section, subject to the approval of the mayor. (Prior Code § 2-27C)

Subject: Ely CMAR: Decorative Lighting options
Attachments: Philips.pdf; AAL.PDF; Sternberg.pdf

Importance: High

Good morning, I hope you are well-

Please find three (3) decorative light pole options for your review and feedback. In an effort to minimize costs, the Department is requesting that the City review the provided plans and respond back with preference of the three. Which design is the least desirable?

With this information, we will move forward with two pole design options and eliminate the sole source concerns. Thank you for your participation and please respond back to me by Friday, June 21st. Thank you.

Respectfully, Jae

(775) 888-7589

Specifications

Fixture

The luminaire shall be 16" diameter and 40-1/2". The acorn shall be supplied with a cast aluminum finial and a solid, cast aluminum roof which includes optimized heat sinks to provide maximum life and performance for the LED light sources. The acorn shall be sealed to the cast aluminum roof to provide a moisture-free and bug-free optics chamber for the LED light sources and Rated IP65.

Fitter - Standard

The fitter shall be heavy wall cast aluminum, 356 alloy for high tensile strength. It shall have an 8-1/2" inside diameter opening to attach to the 8" neck of the acorn globe. When ordered with a Sternberg aluminum pole, the fitter shall be welded to the pole top or tenon for safety and to ensure the fixture will be plumb, secure and level over the life of the installation. The fitter shall have a one-piece ring bug gasket to resist insect penetration into lamp assembly.

900 Series Utility Fitter Option

The fitter shall be heavy wall cast aluminum, 360 die cast alloy for high tensile strength. It shall have a 9-1/4" inside diameter opening to attach to the 8" neck of the acorn globe. It shall have a hinged, tool-less entry door that provides open access to all of the components. The 900 series shall have an optional terminal block for ease of wiring, an optional Twist-Lock Photocontrol receptacle, an optional single GFI outlet for auxiliary power needs. The top mounted ballast mounting plate shall be cast aluminum and provide tool-less removal from the housing using 2 finger latches. When ordered with a Sternberg aluminum pole, the fitter shall be set screwed to the pole top or tenon. The fitter shall have a one-piece ring bug gasket to resist insect penetration into lamp assembly. When supplied with GFI receptacle a hole will be provided for cord and plug installation with the access door closed. When cord and plug is not in use a filler plug will be provided and shall be tethered to the fitter for easy recovery and installation.

A850SRLED OLD TOWN SERIES

LED

Twist-Lock Fitter (Optional)

The TL (Twist-Lock) fitter shall have an aluminum die-cast twist-lock mechanism. The tool-less 1/4 turn action allows for easy globe removal and replacement. A die-cast ring assembly is mechanically attached to the globe and is removable if the globe is broken or replaced.

LEDs

The luminaire shall use high output, high brightness LED's. They shall be mounted in arrays, on printed circuit boards designed to maximize heat transfer to the heat sink surface. The arrays shall be roof mounted to minimize up-light. The LED's and printed circuit boards shall be environmentally friendly and 100% recyclable, they shall also be protected from moisture and corrosion by a conformal coating of 1 to 3 mils. They shall not contain lead, mercury or any other hazardous substances and shall be RoHS compliant. The LED life rating data shall be determined in accordance with IESNA LM-80. They shall operate in a -40°C (-40°F) to +50°C (122°F) ambient air temperature range. The High Performance white LED's will have a life expectancy of approximately 100,000 hours with not less than 70% of original brightness (lumen maintenance), rated at 25°C. The High Brightness, High Output LED's shall be 4500K (3500K or 2700K option) color temperature with a typical of 70 CRI. The luminaire shall have a minimum _____ (see table) delivered initial lumen rating when operated at steady state with an average ambient temperature of 25°C (77°F).

Optics

The luminaire shall be provided with individual, refractor type optics applied to each LED. The luminaire shall provide Type ____ (2, 3, 3R, 4 or 5) light distribution per the IESNA classifications. Testing shall be done in accordance with IESNA LM-79.

Electronic Drivers

The LED driver shall be U.L. Recognized. It shall be securely mounted inside the fitter, for optimized performance and longevity. The LED driver shall be supplied with a quick-disconnect electrical connector on the power supply, providing easy power connections and fixture installation. It shall have overload as well as short circuit protection, and have a DC voltage output, constant current design, 50/60HZ. The LED driver shall be supplied with line-ground, line-neutral and neutral-ground electrical surge protection in accordance with IEEE/ANSI C62.41.2 guidelines.

For Sources Over 50W: The driver shall have a minimum efficiency of 90%. The driver shall be rated at full load with THD<20% and a power factor of greater than 0.90.

The driver shall contain over-heat protection which reduces output to less than half rating if the case temperature reaches 85°C.

Photocontrols

Button Style: On single post top fixtures the photocontrol shall be mounted in the fitter and pre-wired to ballast. On multiple head fixture assembly's photocontrol shall be mounted in the pole shaft on an access plate and are not pre-wired as ballast housing assemblies and fitters are packaged separately for ease of wiring to source. The electronic button type photocontrol is instant on with a 5-10 second turn off, and shall turn on at 1.5 footcandles with a turn-off at 2-3 footcandles. Photocontrol is 120-277 volt.

Twist-Lock Style: The photocontrol shall be mounted in the utility fitter and pre-wired to ballast. The twist lock type photocontrol is instant on with a 3-6 second turn off, and shall turn on at 1.5 footcandles with a turn-off at 2-3 footcandles. Photocontrol is 120-277 volt.

Photocontrols are warranted for 2 years and electronic photocontrols are warranted for 6 years.

Warranty

Seven-year limited warranty. See product and finish warranty guide for details.

3/16 STERNBERG LIGHTING. ALL RIGHTS RESERVED. PRINTED IN THE USA.

6600 MORRISTOWN SERIES

SPECIFICATIONS

GENERAL

The 14 ft tall* decorative post shall be aluminum, one-piece construction. The 14" octagonal cast aluminum tapered fluted base shall be constructed with a 4 inch diameter aluminum shaft. The model shall be Sternberg Lighting #6600 or #6600R for candy cane poles. The pole shall be U.L. or E.T.L. listed in U.S. and Canada.

CONSTRUCTION

The base shall be octagonal with a twelve flute upper section which tapers to a curved shaft transition. It shall be made of heavy wall, 356 alloy cast aluminum. It shall have a 3/4" thick floor cast as an integral part of the base. The shaft shall be circumferentially welded to the base.

____ The **smooth tapered shaft** shall be made of ASTM 6063 extruded aluminum and tempered to a T6 condition.

____ The **smooth straight shaft** shall be made of ASTM 6063 extruded aluminum and tempered to a T6 condition.

____ The **straight fluted shaft** shall be made of ASTM 6061 extruded aluminum and tempered to a T6 condition. It shall have a decorative fluted 3" O.D. tenon.

INSTALLATION

Four 3/4" diameter, hot-dipped galvanized "L" type anchor bolts shall be provided with the post for anchorage. A door shall be provided for wiring and anchor bolt access. It shall be secured with tamper proof, stainless steel hardware. Post will be provided with a grounding stud mounted on the base floor opposite the access door.

Indicate the type of shaft needed (above)

** See installation template for exact door position.
Bolt circle dimensions may change on taller poles.

JOB _____
TYPE _____
NOTES _____

SPECIFICATIONS

HOUSING

- Luminaire housing and lens frame shall be cast aluminum, A356 alloy and sealed with continuous extruded silicone rubber gaskets.
- Outer globe lens shall be one piece clear, injection molded optical grade DR acrylic and sealed to the lens frame with a continuous extruded silicone rubber gasket. Concealed tool less latch mechanisms shall be stainless steel.
- All internal and external hardware shall be stainless steel or aluminum.
- Optical bezel shall be painted white.

OPTICAL

- Patent pending MicroCore™ LED modules shall independently aim each light emitting diode (LED) in both horizontal rotation and vertical tilt angle.
- LEDs shall be mounted to a metal printed circuit board assembly (PCBA) with a uniform conformal coating over the panel surface and electrical features.
- LED optics shall be clear injection molded PMMA acrylic.
- MicroCore™ PCBA and optic shall be sealed to a die-cast anodized aluminum heat sink with an injection molded silicone rubber gasket. IP66.
- Type 4 distribution with optional House Side Shield not available with clear or diffused glass lenses. Factory installed House Side Shield is optimized for Type 4 distribution and not recommended for use with Type 2 or 3 distribution and not available with type 5 distribution.

ELECTRICAL

- Luminaires shall have integral surge protection that shall be U.L. recognized and have a surge current rating of 10,000 Amps using the industry standard 8/20uSec wave and surge rating of 372J.
- Drivers shall be U.L. recognized with an inrush current maximum of <20.0 Amps maximum at 230VAC.
- Drivers shall not be compatible with current sourcing dimmers, consult factory for current list of known compatible dimming systems, approved dimmers include Lutron Diva AVTV, Lutron Nova NDTV and NTFTV.
- LifeShield™ shall be provided with all configurations for added protection in the event of abnormally excessive high ambient temperature conditions.

CONTROLS

- SCP shall have an integral surge protection device with a current rating of 10,000 Amps using the industry standard 8/20uSec wave and surge rating of 372J
- Sensor not intended for use with additional photo-control, wireless control or dimming systems.

PHOTOCELL / EGRESS ADAPTERS

- Adapter(s) shall slip over a 4"/100mm DIA. pole with the luminaire or arm slipping over the adapter to add a total of 4.5"/114mm to the overall height. Adapter(s) shall be prewired, independently rotatable 359°, and have a cast access cover with an integral lens and lanyard.
- Photocell adapter shall include an internal twist lock receptacle. Photocell by others.
- Egress adapter shall require an auxiliary 120 volt supply for operation of an integral MR16 lamp in the event of emergency. The lamp may be aimed and locked into position with an adjustment range of 15°-45°. Adapter shall have a socket that accepts miniature bi-pin MR16 lamps up to 50 watts, lamp by others.

SERVICING

- Electrical assembly shall be mounted to a prewired internal service tray and accessed by releasing two concealed tool less latches.

ARM AND POLE MOUNTING

- Standard post top configurations shall slip over a 4"/100mm O.D. pole and be secured to the pole with three stainless steel set screws
- Arm or wall mount configurations shall have the bracket welded to luminaire. Visit www.aal.net for Arm, Poles & Accessories Specification Guide.

FINISH

- Luminaire finish shall consist of a five stage pretreatment regimen with a polymer primer sealer, oven dry off, and top coated with a thermoset super TGIC polyester powder coat finish.
- Luminaire finish shall meet the AAMA 605.2 performance specification which includes passing a 3000 hour salt spray test for corrosion resistance.

CERTIFICATION

- Luminaire shall be listed with ETL for outdoor, wet location use, UL1598, UL 8750 and Canadian CSA Std. C22.2 no.250.

3. OPTIONS / ACCESSORIES

- FH (Flag holder. Specify location on pole)
- FS1 (Single weatherproof fuse holder. Fuse by others.)
- FS2 (Double weatherproof fuse holder. Fuse by others.)
- LR (Ladder rest. Slips over a 4" O.D. pole.)
- PCA-T (Rotatable photocell housing. The housing slips over a 4"/100mm o.d. pole. a fixture slips over the 4"/100mm O.D. tenon. Includes an internal twist lock receptacle, and an access cover with integral lens and stainless steel tether. Adds 5"/125mm to the overall height of the pole/fixture assembly. Prewired on the load side and line side for easy installation. Photocell by others.)
- PCR (Low profile twist lock photocell receptacle with cast pole cap top. Secures to the top of the pole with three stainless steel set screws. Photocell by others.)
- PLT (Plant Hanger. For 4" O.D. poles. Specify location on pole)
- RBC (Cast aluminum receptacle housing, integrally welded to the pole. Includes a NEC approved clear weatherproof cover. Does not include a receptacle or internal wiring.)

SPECIFICATIONS

Base shall be cast aluminum #356 alloy, free of any porosity, foreign materials, or cosmetic fillers. Base casting shall be heat treated to a T-6 condition, and of uniform wall thickness, with no warping or mold shifting.

WARNINGS

Caution must be exercised in the selection of a design wind speed when the pole is to be installed in a special wind region (as indicated by the wind map) or in an area where wind speed is unpredictable.

AAL recommends consulting a local engineer when the pole is to be installed in an area that may be subject to extreme weather and exposure.

Poles installed on structures such as buildings and bridges may be subjected to vibration, oscillations, and other fatigue effects which are not covered by the AAL warranty.

The use of banners or other appendages can severely affect the loading of a pole. No banner or other appendage should be attached to an AAL pole unless approved by AAL.

If the products are to be used on an existing foundation or on other structures, the customer assumes all responsibility for the structural integrity of the existing foundation, anchorage or structures and all the consequences arising therefrom

CAUTION

Poles should never be erected without the luminaire installed.

Anchor bolts shall be hot dip galvanized steel. Six galvanized hex nuts and flat washers, and a bolt circle template shall be provided. Anchor bolt for poles are 3/4" x 24" x 3".

CERTIFICATION

Certified UL 1598 in accordance with Article 410 of ANSI/NFPA 70, National Electrical Code.

DB1 – Decorative Pole

TYPE

4" ROUND (RD) & FLUTED (FL) DECORATIVE BASE

DIMENSIONS

BPC12 - BPC27

Swivel type photocell with adjustable swivel for aiming. Requires field wiring. Consult factory for specific fixture availability.

**PHC**

Button type photocell and cast shield. Standard location is 12" down from top of pole. Specify voltage.

**PCR**

Low profile twist lock photocell receptacle with cast pole cap top. Secures to the top of the pole with three stainless steel set screws. Photocell by others.

**OTHER ACCESSORIES****LR**

Ladder rest. Slips over a 4"/100mm O.D. pole

**FH**

Flag holder. (Specify location on pole)

**PLT**

Plant Hanger. For 4"/100mm O.D. poles. (Specify location on pole, holds up to 25 lbs.)

**RBC**

Cast aluminum receptacle housing, integrally welded to the pole. Includes a NEC approved clear weatherproof in-use cover. Does not include a receptacle or internal wiring.

(Standard RBC is 24" below the top of the pole. Consult factory for alternative locations, which may require additional factory reinforcement)

**GFI (with RBC)**

Ground Fault Interrupter. Wet location receptacle. Standard location is 24" down from top of pole.

FS1

Single weatherproof fuse holder. Fuse by others.

FS2

Double weatherproof fuse holder. Fuse by others.

Note: Fuse supplied and installed by others.

**AD4**

This adapter is to be used only with standard AAL arms and post top mount fixtures to slip over a 4"/100mm O.D. pole.

AD5

This adapter is to be used only with standard AAL arms and post top mount fixtures that slip over a 4" O.D. pole. The AD5 is a cast aluminum adapter that slips into the arm or (PM option on the UCM) and slips over a 5"/125mm O.D. pole.

Two Arms

DESCRIPTION

Round AAL banner arms are clamshell designs for 4"/100mm or 5"/125mm diameter poles. Banner arm for square pole is secured to the side of the pole with two bolts. The banner arms are easily added or removed from the pole. The breakaway coupling is designed to fail before over-stressing the pole. An internal, stainless steel cable keeps the arm attached to the pole assembly.

The failure point for the coupling is affected by the banner type, pole height and vertical location of the banner on the pole. The loading is also affected by securing the banner at the top only, or the top and bottom. Contact the factory for the maximum banner size recommended for your application.

Voltage

120 / 208 / 240 / 277

High frequency generator for induction lamp (4000K).
Instant start. Operating range 50-60 Hz or DC.
Lamp minimum starting temperature -40F (-40 °C).

¹ L70 = 100,000 hrs (at ambient temperature = 25°C and forward current = 700 mA)
² System wattage includes the lamp and the LED driver.

³ Equivalence should always be confirmed by a photometric layout.

* Photometry available on Philips Lumec's web site www.philips.com/lumec.

Note: Due to rapid and continuous advances in LED technology, LED luminaire data is subject to change without notice and at the discretion of Philips.

Predicted Lumen Depreciation Data

Predicted performance derived from LED manufacturer's data and engineering design estimates, based on IESNA LM-80 methodology. Actual experience may vary due to field application conditions. L₇₀ is the predicted time when LED performance depreciates to 70% of initial lumen output. Calculated per IESNA TM21-11. Published L₇₀ hours limited to 6 times actual LED test hours.

Ambient Temperature °C	Driver mA	Calculated L ₇₀ Hours	L ₇₀ per TM-21	Lumen Maintenance % at 60,000 hrs
35°C	700 mA	>100,000 hours	>60,000 hours	>85%

S55 and S55C1-C2 Serenade DSX

Urban luminaire

Specifications (continued)

Luminaire adaptors

SFOK: Oak leaf fitter. Fits on a 4" (102mm) outside diameter by 4" (102mm) long tenon.

SFX: Standard fitter. Fits on a 4" (102mm) outside diameter by 4" (102mm) long tenon.

Surge Protector

Surge protector tested in accordance with ANSI/IEEE C62.45 per ANSI/IEEE C62.41.2 Scenario I Category C High Exposure 10kV/10kA waveforms for Line Ground, Line Neutral and Neutral Ground, and in accordance with U.S. DOE (Department of Energy) MSSLC (Municipal Solid State Street Lighting Consortium) model specification for LED roadway luminaires electrical immunity requirements for High Test Level 10kV / 10kA. **SP2** 20kV/20kA optional.

Finish

In accordance with the AAMA 2603 standard. Application of polyester powder coat paint (4 mils/100 microns) with +/- 1 mils/24 microns of tolerance. The Thermosetting resins provides a discoloration resistant finish in accordance with the ASTM D2244 standard, as well as luster retention in keeping with the ASTM D523 standard and humidity proof in accordance with the ASTM D2247 standard. The surface treatment achieves a minimum of 2000 hours for salt spray resistant finish in accordance with testing performed and per ASTM B117 standard.

Finish Options Include:

BE2TX: Textured Midnight Blue

BE6TX: Textured Ocean Blue

BE8TX: Textured Royal Blue

BG2TX: Textured Sandstone

BKTX: Textured Black

BRTX: Textured Bronze

GN4TX: Textured Blue Green

GN6TX: Textured Forest Green

GN8TX: Textured Dark Forest Green

GNTX: Textured Green

GR: Gray Sandtex

GY3TX: Textured Medium Grey

NP: Natural Aluminum

RD2TX: Textured Burgundy

RD4TX: Textured Scarlet

TG: Hammer-tone Gold

WHTX: Textured White

Wiring

Gauge (#14) TEW/AWM 1015 or 1230 wires, 6" (152mm) minimum exceeding from luminaire.

Hardware

All exposed screws shall be complete with Ceramic primer-seal base coat to reduce seizing of the parts and offers a high resistance to corrosion. All seals and sealing devices are made and/or lined with EPDM and/or silicone and/or rubber.

Luminaire useful life

Refer to IES files for energy consumption and delivered lumens for each option. Based on ISTMT in situ thermal testing in accordance with UL1598 and UL8750, Philips System Reliability Tool, Philips Advance data and Philips Lumileds LM-80/TM-21 data, expected to reach 100,000+ hours with >L70 lumen maintenance @ 25°C (32LED's at 1050mA is 88,000). Luminaire Useful Life accounts for LED lumen maintenance AND all of these additional factors including: LED life, driver life, PCB substrate, solder joints, on/off cycles, burning hours and corrosion. Entire luminaire is rated for operation in ambient temperature of -40°C / -40°F up to +35°C / +95°F.

LED products

(manufacturing standard)

The electronic components sensitive to electrostatic discharge (ESD) such as light emitting diodes (LEDs) are assembled in compliance with IEC61340 5.1 and ANSI/ESD S20.20 standards so as to eliminate ESD events that could decrease the useful life of the product.

Quality control

Manufactured to ISO 9001:2008 standards and ISO 14001:2004 International Quality Standards Certification.

Certifications and Compliance

CSA, cULus Listed for Canada and USA. Serenade LED luminaires are DesignLights Consortium qualified.

R80 > TRADITIONAL ALUMINUM POLE

Optional base covers

Base details

Comes with 4 anchor bolts,
8 nuts and 8 washers.

Specifications:

Pole: made from a seamless 4" round (102 mm) extruded-aluminum shaft welded to a decorative cast-aluminum base incorporating an anchor plate.

A 4" by 9" (102 by 229 mm) maintenance opening is complete with cover and copper ground lug. The pole comes with cast-aluminum bolt covers.

Finish: See page 142 for Finish details.

Options:

- LS:** Provision for loudspeaker outlet (see page 132)
- PH7:** Button-type photoelectric cell (specify operating voltage)
- PH8:** Quarter-turn type photoelectric cell (specify operating voltage)
- DR:** Duplex receptacle (120V line voltage only)
- GFI:** DR with common ground fault interrupter (120V line voltage only)
- BA:** Banner arm (see page 136)
- PS:** Plant support (see page 137)
- MPL:** Mid-pole luminaire
- Two-piece round decorative base cover:**
 - TBC1:** Round cast-aluminum
 - TBC2:** Cast-aluminum hexagonal

Note: The recommended method for calculating EPA (Effective Projected Area) is in accordance with AASHTO 2001 standards: for three seconds, the pole is tested in wind gusts equivalent to the strongest winds on record over the past 50 years, and with a 50 pound load (22.7 kg) placed at 1 foot (305 mm) above its center.

Important: Do not obstruct space between anchor plate and concrete base.

BA > POLE OPTION DETAILS

BAS / BAD > BANNER ARMS

> shown here on a straight round pole

BASXX > Single banner arm

BADXX > Double banner arm

Specifications:

Lumec's Banner Arms BAS / BAD are designed to fit on a round, fluted, square and multi-sided pole, using a central tubing inserted through two opposite 1 3/8" (35 mm) holes.

The aluminum banner arm [1 1/16" diameter (27 mm)] easily slip-fits into the central tubing and it is secured with the attachment by stainless steel hardware. Completing the installation are two end-of-arm decorative casting.

Consult factory for all banner arm heights and orientations.

Optional Lily Flower end-of-arm casting available (LF option).

Specify width of banner(s) as the xx dimension in the ordering number.

Order Banner in 1" (25 mm) increments only (ex: BAS11)

> Lumec strongly recommends that the banner arm should be at least 8 feet from the ground.

Decorative end-of-arm option

LF

LUMEC**

PH7 / PH8 / DR / GFI / LS > POLE AND BRACKET OPTION DETAILS

PH7 > PHOTOELECTRIC CELL

> shown here on a straight round pole

Specifications:

PH7 Photoelectric Cell: The PH7 button-type photoelectric cell is designed for pole or bracket installation. It is Pre-wired to the nearest opening. Working from individual project specifications, Lumec will determine the exact position of the photoelectric cell. Photoelectric cells can be installed on all types of straight or fluted aluminum or steel poles or brackets. The standard installation height of the PH7 photoelectric cell is 20" (508 mm) from the top of the pole. This distance may vary according to project specifications.

> Orientation shall be at 0° on the same axis as the pole access door unless otherwise specified.

PH8 > PHOTOELECTRIC CELL > shown here on a fluted pole

Specifications:

PH8 Photoelectric Cell: The PH8 twistlock photoelectric cell is designed for pole or bracket installation and comes pre-wired. Photoelectric cells can be installed on all types of straight or fluted aluminum or steel poles or brackets.

DR > DUPLEX RECEPTACLE / GFI > DR WITH GROUND FAULT INTERRUPTER

> shown here on a fluted shaft pole

Specifications:

DR and GFI: When the Duplex Receptacle (DR or GFI) unit is to be installed on a square pole, or any pole with a sufficient flat surface:

- > The DR or GFI is screwed into place in a rectangular hole.
- > A neoprene gasket and a cast-aluminum cover plate are placed on the duplex receptacle, ensuring full weathertightness when the cover plate is closed.

When the DR or GFI is to be installed on a round or fluted pole or bracket, however:

- > A duplex adaptor and a neoprene gasket are installed between the pole or bracket and the duplex receptacle.
- > A second neoprene gasket and a cast-aluminum cover plate are then placed on the duplex receptacle, ensuring full weathertightness when the cover plate is closed.

The duplex receptacle is pre-wired to the nearest opening. The standard installation height of the DR or GFI receptacle is 24" (610 mm) from the top of the pole. This distance may vary according to project specifications.

> Orientation shall be at 0° on the same axis as the pole access door unless otherwise specified.

LS > LOUDSPEAKER OUTLET

> shown here on a straight round pole

Specifications:

LS Loudspeaker Outlet (pole option only): The Loudspeaker Outlet (LS) is designed for pole-side installation and calls for a hole of 7/8" (22 mm) to be drilled on the side of the pole. Working from individual project specifications, Lumec will determine the exact position of the LS Loudspeaker Outlet.

- > Orientation shall be at 0° on the same axis as the pole access door unless otherwise specified.
- > No connectors are provided with the LS loudspeaker outlet.

**CODE OF BYLAWS
OF
NEVADA NORTHERN RAILWAY FOUNDATION, INC.**
(Formerly known as White Pine Historical Railroad Foundation, Inc.)

**ARTICLE I. NAME, OFFICE, SEAL, PURPOSES AND DEFINITION OF CLASSES
OF DIRECTORS**

Section 1. Name. The name of the corporation is "Nevada Northern Railway Foundation, Inc.", a Nevada nonprofit for public benefit corporation, formerly known as White Pine Historical Railroad Foundation, Inc., hereafter referred to as the "Corporation."

Section 2. Offices. The principal office of the Corporation is to be the registered office of its registered agent which is located at 1100 Avenue A, Ely, White Pine County, Nevada. The principal office of the Corporation may be changed to another location within the County of White Pine, Nevada, by the majority vote of the Board of Directors.

Section 3. Seal. The Corporation may have a corporate seal. If the Corporation has a corporate seal, it is to have inscribed thereon the name of the Corporation, the year of its incorporation, and the words "Nevada" and "Seal."

Section 4. Purposes. The objects and purposes of the Corporation are set forth in the Corporation's Articles of Incorporation, as amended from time to time, and include, but are not limited to, operating the Nevada Northern Railway as a historic museum for the benefit of the general public. The Nevada Northern Railway is jointly owned by the Corporation and the City of Ely, Nevada.

Section 5. Definition of Appointed Directors, At-Large Directors, and Directors. For purposes of these Bylaws, the term "Appointed Directors" means those two (2) members of the City Council of Ely, Nevada and their successors who are appointed by the Mayor of the City of Ely, Nevada, and confirmed by the City Council pursuant to Subsection 2.a. of Article III below, and the term "At-Large Directors" means John C. Gianoli, Stephan Leith, Roger Bowers, Randy Larson, Carl Marsh and their successors who are (a) elected by the Members of the Corporation pursuant to Section 3. of Article III below, or (b) appointed by the other At-Large Directors to fill a vacant position of an At-Large Director pursuant to Section 6. of Article III below. Unless the context indicates otherwise, all references in these Bylaws to the "Directors" or "Board of Directors" is to mean all of the Appointed Directors and the At-Large Directors.

ARTICLE II. MEMBERS

Section 1. Membership Classes, Qualifications, and Contributions.

proposed action. Approval by written ballot is valid only when the number of votes cast by ballot equals or exceeds the quorum required to be present at a meeting authorizing the action, and the number of approvals equals or exceeds the number of votes that would be required to approve the matter at a meeting at which the total number of votes cast was the same as the number of votes cast by ballot. Actions for votes by written ballot must (a) indicate the number of responses needed to meet the requirement of a quorum, (b) state the percentage of approvals necessary to approve each matter other than the election of At-Large Directors; and (c) specify the time by which a ballot must be received by the Corporation in order to be counted. A written ballot that is submitted to the Corporation may not be revoked.

Section 13. Record Date for Notice and Voting. The Board of Directors may fix a time in the future, not exceeding sixty (60) days nor less than ten (10) days before the date of any meeting of the Members, as a record date for the determination of the Members entitled to notice of and to vote at any such meeting (the "Record Date"). Only Members of record on the date so fixed shall be entitled to notice of and to vote at such meetings.

Section 14. Provision of Annual Financial Statements. Within five (5) days following receipt by the Corporation of a written request from a Member (the "written request"), the Corporation will mail to, or otherwise make available for inspection at the principal office of the Corporation, and at no cost to the Member, the most recent annual audited financial statements of the Corporation. If the written request from the Member requests that the financial statements be mailed to the Member, then such written request must include the address where the financial statements are to be mailed. This Section 14. is intended to comply with subsection 6. of NRS Section 82.186.

ARTICLE III. DIRECTORS

Section 1. Powers. Except as otherwise provided by law, the Articles of Incorporation, or these Bylaws, the activities and affairs of the Corporation are to be conducted and all corporate powers are to be exercised by or under the direction of the Board of Directors. However, the Board of Directors may delegate its powers to one (1) or more committees pursuant to Article IV below.

Section 2. Classification of Directors. Unless these Bylaws are amended to provide otherwise, the Board of Directors is to consist of seven (7) members. Of the total seven (7) Directors, two (2) are to be classified as Appointed Directors, and five (5) are to be classified as At-Large Directors.

a. Appointed Directors, Terms, Qualifications, Filling of Vacancies, Resignation, and Removal. The initial two (2) Appointed Directors are to be those two (2) current members of the City Council of Ely, Nevada that are appointed by the Mayor of Ely, Nevada and confirmed by the City Council (the "Initial Appointed Directors"). The term of each Initial Appointed Director is to coincide with the Initial Appointed Director's

term as a member of the City Council of Ely, Nevada, unless the Initial Appointed Director dies, resigns or is removed prior to the expiration of his or her term. Any vacancy that occurs with respect to an Appointed Director, whether by death, resignation, removal, or the expiration of the Appointed Director's term, is to be filled by the Mayor of the City of Ely, Nevada, in his or her sole discretion, with consent of council and without any approval of the Members of the Corporation; provided, however, that each vacant position of an Appointed Director must be filled by a person who is then serving as an elected member of the City Council of Ely, Nevada. Any successor Appointed Director will continue to serve as an Appointed Director of the Corporation until such time as his or her term as a member of the City Council of Ely, Nevada expires, unless such Appointed Director dies, resigns or is removed prior to his or her term. No Appointed Director of the Corporation may serve as an officer or employee of the Corporation, other than the Chairman of the Board or Vice Chairman of the Board.

Any Appointed Director may resign effective upon giving written notice to the Chairman of the Board and the Mayor of the City of Ely, Nevada, unless the notice specifies a later time for the effectiveness of such resignation; provided, however, that no Appointed Director may resign if the Corporation would then be left without a Director. If the resignation of the Appointed Director is effective at a future time, a successor may be selected before that time, to take office when the resignation becomes effective. Any Appointed Director may be removed from office, with or without cause, by the Mayor of the City of Ely, Nevada in his or her sole discretion, with consent of the City Council. In addition, an Appointed Director is to be removed, without further action of the Mayor of the City of Ely, Nevada, if (a) an Appointed Director has been declared to be incompetent by a court of competent jurisdiction, (b) an Appointed Director is convicted of a felony, (c) the Appointed Director has been found by a court of competent jurisdiction to have breached his or her duties to exercise his or her powers in good faith and with a view to the interests of the Corporation, (d) an Appointed Director is hired as an officer or employee of the Corporation (other than the Chairman or Vice Chairman of the Board), or (e) an Appointed Director misses, without having been excused, two (2) consecutive Board meetings, or, in any calendar year, an Appointed Director fails to attend without excuse at least fifty percent (50%) of the Board meetings. Any person removed as an Appointed Director of the Corporation upon an event described in the preceding sentence may not be re-appointed to the Board of Directors. Any vacancy of an Appointed Director occurring as a result of the resignation or removal of such Appointed Director is to be filled by the Mayor of the City of Ely, Nevada, in accordance with the terms of the preceding paragraph.

b. At Large Directors and Qualifications. The initial At-Large Directors of the Corporation are to be John C. Gianoli, Stephan Leith, Roger Bowers, Randy Larson, and Carl Marsh (the "Initial At-Large Directors"). At all times a majority of the At-Large Directors are to be residents of White Pine County, Nevada, who are domiciled in White Pine County, Nevada, at least six (6) months during each calendar. All At-Large Directors must be natural persons and must be Members of the Corporation. No

Monthly Operations Report for May 2019

1. Locomotive Status – No change
 - a. Locomotives in service: #40, #93, #105, #109, #204, #310, Wrecking Crane A & Rotary B.
 - b. Locomotives out of service needing moderate repairs: #45 – We have started repairs on this locomotive.
 - c. Locomotives waiting funding for restoration: Steptoe Valley Smelting and Mining #309, Kennecott 801 and Rotary Snowplow B (for boiler overhaul.)
 - d. Locomotives out of service needing heavy repairs #802, #81, #80 and the military locomotives.
 - e. Locomotive 81's drivers, drive boxes and rods have returned. We are starting the reassembly.
2. Rolling Stock Status – No change
 - a. Passenger equipment in service: #07, #08, #09, Flatcar #23, Coach #5, Baggage Car/RPO #20, Outfit Car #06.
 - b. Passenger equipment out of service: #10, #2 and #05 needing heavy repairs.
 - c. Cabooses in service: #3, #6 and #22 are operational.
 - d. Cabooses out service: #5
3. Track Status – No change
 - a. Keystone Branch is open
 - b. Adverse Branch is open.
4. Ridership and Ticket Sales – Updated
 - a. In May we carried 1,557 passengers. This is up 176 passengers or 13% from the previous year.
 - b. Year to date our ridership is at 3,022 passengers, up 266 passengers or 10% from last year
 - c. Since operations began in 1987, we have carried 292,421 passengers. We should carry our 300,000th passenger sometime in August. Just to review, we carried our 100,000th passenger in 2004 after 17 years in operation. In 2012, we carried our 200,000th passenger in just 8 years. Now we will have carried another 100,000 passengers just 7 years later.

BILL NO. 2019-04
ORDINANCE NO. 721

An Ordinance establishing City Code Title 5, Chapter 3, Article D an Ordinance establishing the City of Ely's Trap, Neuter, Release program for feral cats.

WHEREAS, N.R.S. 266.105 empowers the Ely City Council to pass ordinances necessary for the municipal government and the management of the affairs of the City, for execution of all powers vested in the City, and for making effective the provisions of Chapter 266 of the Nevada Revised Statutes; and

WHEREAS, the Ely City Council has determined that a process of trapping, sterilizing, vaccinating for rabies, eartipping and returning cats to their original location is an effective and humane way to manage the population of cats with the City of Ely and unincorporated White Pine County; and

WHEREAS, the City of Ely and the County of White Pine, by and through their County Commission, have an interlocal agreement, pursuant to NRS 277 that allows the City to provide Animal Control services to the unincorporated County; and

WHEREAS, the City Council has determined that the process of Trap-Neuter-Release, is the preferred approach for managing the feral cat population and that Trap-Neuter-Release shall be the preferred method for disposition of any impounded community cats, provided there is grant funding available to provide these services.

NOW, THEREFORE, the City Council of the City of Ely DOES ENACT ELY CITY CODE TITLE 5, CHAPTER 3, ARTICLE C, AS FOLLOWS:

SECTION 1: ORDINANCE ENACTMENT

5-3C-1: DEFINITIONS

For purposes of this Section, the following terms shall have the following meanings:

A. “*Community Cat*” shall mean a free-roaming cat who may be cared for by one or more residents of the immediate area who is/are known or unknown; a community cat may or may not be feral.

B. “*Community Cat Caregiver*” shall mean a person who, in accordance with and pursuant to a policy of Trap-Neuter-Return, provides care, including, food, shelter or medical care to a community cat, while not being considered the owner, harbinger, controller, or keeper of a community cat.

C. “*Eartipping*” shall mean the removal of the distal one-quarter of a community cat’s left ear, which is approximately 3/8-inch, or 1 cm, in an adult and proportionally smaller in a kitten. This procedure is performed under sterile conditions while the cat is under anesthesia, in compliance with any applicable federal or state law, and under the supervision of a licensed veterinarian. Eartips are designed to identify a community cat as being sterilized and lawfully vaccinated for rabies.

D. “*Trap-Neuter-Release*” shall mean the process of humanely trapping, sterilizing, vaccinating for rabies, eartipping, and returning community cats to their original location.

5-3C-2: PERMITTED ACTS. The following actions shall be permitted in the Animal Control Area as defined in 5-3B-1 as part of Trap-Neuter-Release program adopted herein, so long as there is grant funding available to provide these services:

A. Trapping, for the sole purpose of sterilizing, vaccinating for rabies, and eartipping community cats, in compliance with any applicable federal or state law, and under the supervision of a licensed veterinarian, where applicable.

B. An eartipped cat received by Animal Control may be returned to the location where trapped unless veterinary care is required. A trapped eartipped cat will be released on site unless veterinary care is required.

C. Community cat caregivers are empowered to reclaim impounded community cats without proof of ownership solely for the purpose of carrying out Trap-Neuter-Release and/or returning eartipped community cats to their original locations.

D. A person who returns a community cat to its original location while conducting Trap-Neuter-Release is not deemed to have abandoned the cat.

E. Trap-Neuter-Release shall be the preferred disposition for impounded community cats. Animal Control is authorized and encouraged to conduct Trap-Neuter-Release, so long as there is grant funding available for the program, to utilize accepted volunteers who have been properly trained by the Animal Control Officer and to direct impounded community cats into the Trap-Neuter-Return program.

5-3C-3: COMMUNITY INVOLVEMENT.

A. In order for the Trap-Neuter-Release program to work, the community may contact the animal control officer for location of community cats. The Animal Control Officer will attempt to schedule the placement of traps within the area where community cats may be located.

B. In order to catch these community cats, property owners may have to grant the Animal Control Officer access to their property to place traps. Owners will be requested to contact the Animal Control Officer if there is a cat in the trap. If the cat is already eartipped, the Animal Control Officer shall release the cat at that location.

C. If the cat is not eartipped, the Animal Control Officer shall work with a local veterinarian to provide spay/neuter and rabies vaccination to the captured cat. Once the veterinarian has medically released the cat, it shall be returned to the same area where it was trapped, and it will be released.

D. Volunteers. The City intends to utilize volunteers to assist the Animal Control Officer in accomplishing the goals of this ordinance to the extent possible. Volunteers will be required to

submit an application to the City to work as a volunteer at the Animal Control Facility. The application will be reviewed by the City Clerk and Animal Control Advisory Committee. Selected volunteers will be required to attend training with the Animal Control Officer on how to complete the volunteer tasks assigned.

1. For liability purposes, volunteers must comply with certain rules on handling animals, including, community cats as part of this program.

2. Volunteers will be covered by worker's compensation in the event they are injured while assisting as a volunteer with the Animal Control Facility.

3. No volunteer may represent themselves as speaking for either the City of Ely or the Animal Control Facility. Volunteers must be mindful of responding to issues on social media regarding this program or any issue dealing with the City or Animal Control so as not to appear to be speaking in an official capacity. The City does not intend and no volunteer should be lead to believe they have a property interest in their volunteer work with the City. Volunteers are allowed to volunteer at the pleasure of the City Clerk and the volunteer may terminate their volunteer work at any time.

E. The Animal Control Officer, in conjunction with the Animal Control Advisory Board, are authorized to seek grant funding to perpetuate the Trap-Neuter-Release program in the Animal Control Area as defined by City Code 5-3B-1. Final approval of grant funding must be granted by the City Council during a properly noticed public meeting where the grant funding may be placed on the agenda and accepted, along with any specific terms and conditions of the awarding of the grant as required by the granting agency. The City Council does not require the Animal Control Officer or the Animal Control Advisory Board to seek permission to obtain grant funding, only permission to accept the grant funding.

5-3C-4: CRIMINAL PENALTY

Unless otherwise specified, any person who commits any act in violation of the provisions of this article, or fails to do any act required to be done pursuant to the provisions of this article, is guilty of a misdemeanor and shall be punished by a fine not to exceed one thousand dollars (\$1,000.00), imprisonment in jail for a period not to exceed six (6) months, or by both such fine and imprisonment. A mandatory minimum fine of two hundred and fifty dollars (\$250.00) for any violation not requiring a different minimum fine shall be imposed.

Section 2. Effective Date. This ordinance shall become effective twenty (20) days after its passage, approval and publication according to law.

Section 3. Proposing Parties. The foregoing ordinance was proposed by Councilman Tony DeFelice, at the regularly scheduled meeting of the Ely City Council on May 23, 2019, read by title and referred to the City Council of the City of Ely, as a committee of the whole.

Section 4. Notice. Notice of filing of such ordinance was duly given by publication as required by law.

Section 5. Reading. It was read in full at the regular meeting on _____ and adopted by the following vote:

VOTE:

AYES: _____

NAYES: _____

ABSENT: _____

Approved this _____ day of _____, 2019

NATHAN ROBERTSON, MAYOR

JENNIFER LEE, City Clerk

Approved as to form and content

Charles H. Odgers, Esq. City Attorney

**BILL NO. 2019-05
ORDINANCE NO. 722**

An Ordinance amending Title 3, Chapter 3 section 4 entitled COIN OPERATED AMUSEMENT MACHINES, License Fees, changing the rate for non-gaming coin operated amusement machines by three percent per year for the next three fiscal years, beginning July 1, 2019, with all other provisions not designated shall remain unchanged.

WHEREAS, N.R.S. 266.105 empowers the Ely City Council to pass ordinances necessary for the municipal government and the management of the affairs of the City, for execution of all powers vested in the City, and for making effective the provisions of Chapter 266 of the Nevada Revised Statutes; and

WHEREAS, City Code 3-3-4 was established prior to 2008 and set the non-gaming coin operated amusement machines license fee at \$10.00 per quarter; and

WHEREAS, the Mayor instructed a Business Impact Study to be completed pursuant to NRS 237.080 to evaluate how an increase in coin operated non-gaming amusement machines licensing fees might impact businesses in the City of Ely; and

WHEREAS, the Business Impact Study was sent to more than 700 businesses within the City of Ely and the unincorporated White Pine County; and

WHEREAS, the City received three written responses to the proposed rate increase and one comment during public comment of the May 9, 2019 City Council meeting from businesses, none of the comments were directed at the coin-operated non-gaming amusement machines; and

WHEREAS, on May 9, 2019 the City Council approved the business impact study showing the fiscal effect of a three percent increase per year for three years, for a total of nine percent increase and determined the small incremental increases would not impose a direct and significant economic burden upon businesses, nor would the increase directly restrict the formation, operation or expansion of a business pursuant to NRS 237.080; and

WHEREAS, on May 9, 2019 the City Council voted to increase the Non-gaming coin operated amusement machine rates charged to businesses by 3% per year for the next three fiscal years for a total of 9%;

NOW, THEREFORE, the City Council of the City of Ely DOES AMEND ELY CITY CODE TITLE 3, CHAPTER 3 SECTION 4 AS FOLLOWS:

SECTION 1: ORDINANCE ENACTMENT

3-4-4: LICENSE FEE:

A. The license for each "proprietor" as herein defined shall be **as identified below** ~~ten dollars (\$10.00)~~ quarterly for each machine or device used or played, or exhibited for use or play. All

proprietor's license fees shall be payable quarterly in advance; provided, that where application is made after the expiration of any portion of any license quarter a license may be issued for the remainder thereof upon payment of the quarterly fee. In no case shall any portion of said license fee be repaid to the licensee.

1. Effective July 1, 2019 the fee for each non-gaming coin operated amusement machine shall be \$10.30.

2. Effective July 1, 2020 the fee for each non-gaming coin operated amusement machine shall be \$10.61.

3. Effective July 1, 2021 the fee for each non-gaming coin operated amusement machine shall be \$10.93.

B. Effective July 1, 2021 the fee for each non-gaming coin operated amusement machine may be amended from time to time by resolution of the City Council provided the requirements of NRS 237.080 and NRS 237.090, as amended or restated, are completed.

All other provisions of Title 3, Chapter 4, Section 4 not changed herein, shall remain unchanged.

Section 2. Effective Date. This ordinance shall become effective twenty (20) days after its passage, approval and publication according to law.

Section 3. Proposing Parties. The foregoing ordinance was proposed by Mayor Melody Van Camp, at the regularly scheduled meeting of the Ely City Council on May 23, 2019, read by title and referred to the City Council of the City of Ely, as a committee of the whole.

Section 4. Notice. Notice of filing of such ordinance was duly given by publication as required by law.

**BILL NO. 2019-06
ORDINANCE NO. 723**

An Ordinance amending Title 3, Chapter 5 section 4 entitled GAMBLING, License Fees, changing the rate for all gaming card games, gaming machines and coin operated amusement machines by three percent per year for the next three fiscal years, beginning July 1, 2019, with all other provisions not designated shall remain unchanged.

WHEREAS, N.R.S. 266.105 empowers the Ely City Council to pass ordinances necessary for the municipal government and the management of the affairs of the City, for execution of all powers vested in the City, and for making effective the provisions of Chapter 266 of the Nevada Revised Statutes; and

WHEREAS, City Code 3-5-4 set the licensing fees for table games, gaming machines and coin operated amusement machines at various rates; and

WHEREAS, the Mayor instructed a Business Impact Study to be completed pursuant to NRS 237.080 to evaluate how an increase in the various table games, gaming machines and coin operated amusement machines licensing fees might impact businesses in the City of Ely; and

WHEREAS, the Business Impact Study was sent to more than 700 businesses within the City of Ely and the unincorporated White Pine County; and

WHEREAS, the City received three written responses to the proposed rate increase and one comment during public comment of the May 9, 2019 City Council meeting from businesses and none of the comments were directed towards the gaming licensing fees; and

WHEREAS, on May 9, 2019 the City Council approved the business impact study showing the fiscal effect of a three percent increase per year for three years, for a total of nine percent increase and determined the small incremental increases would not impose a direct and significant economic burden upon businesses, nor would the increase directly restrict the formation, operation or expansion of a business pursuant to NRS 237.080; and

WHEREAS, on May 9, 2019 the City Council voted to increase the gaming device licensing fees for each type of gaming table, device or amusement machine licensed to a business by 3% per year for the next three fiscal years for a total of 9%;

NOW, THEREFORE, the City Council of the City of Ely DOES AMEND ELY CITY CODE TITLE 3, CHAPTER 5 SECTION 4 AS FOLLOWS:

SECTION 1: ORDINANCE ENACTMENT

3-5-4: LICENSE FEE:

A. Any person desiring to obtain a license to conduct, maintain or carry on any gambling game, slot machine or any game of chance enumerated or provided for in section 3-5-2 of this

chapter and who is eligible for license under the provisions of chapter 463 of the Nevada Revised Statutes, may obtain such license by paying to the City Clerk the sum required by this section.

1. Each slot machine, game or device which will be conducted or offered by the applicant must be specifically described in and entered upon the license.

2. Card games, including but not limited to, stud and draw poker, bridge, whist, solo, and panguingui for money, must be licensed independently of other games, at the rate of ~~twenty dollars (\$20.00)~~ **identified below**, per table per quarter, payable annually, in advance. ~~In other words eighty dollars (\$80.00) would be charged and paid for at the time of application for one (1) card game.~~ **The Licensee will be charged the annual fee upon renewal and shall pay the annual fee as part of the business license fee for each card game licensed to Licensee.**

a. **Effective July 1, 2019 the annual fee for each card game shall be eighty-two dollars and 42/100 (\$82.40).**

b. **Effective July 1, 2020 the annual fee for each card game shall be eighty-four dollars and 87/100 (\$84.87).**

c. **Effective July 1, 2021 the annual fee for each card game shall be eighty-seven dollars and 42/100 (\$87.42).**

3. For each money slot machine, the license fee ~~shall be as identified below, is fifteen dollars (\$15.00) per quarter, payable annually, in advance. In other words sixty dollars (\$60.00) would be charged and paid for at the time of application for each slot machine.~~ **The Licensee will be charged the annual fee for each slot machine licensed to them upon renewal and shall pay the annual fee as part of the business license fee.**

a. **Effective July 1, 2019 the annual fee for each slot machine shall be fifteen dollars and 45/100 (\$15.45).**

b. **Effective July 1, 2020 the annual fee for each slot machine shall be fifteen dollars and 91/100 (\$15.91).**

c. **Effective July 1, 2021 the annual fee for each slot machine shall be sixteen dollars and 39/100 (\$16.39).**

4. For each amusement game ~~per quarter~~, the license fee **shall be as identified below.** **The Licensee will be charged the annual fee for each amusement machine licensed to them upon renewal and shall pay the annual fee as part of the business license fee.** ~~is ten dollars (\$10.00) per quarter, payable annually, in advance. In other words forty dollars (\$40.00) would be charged and paid for at the time of application for each amusement game.~~

a. **Effective July 1, 2019 the annual fee for each slot machine shall be ten dollars and 30/100 (\$10.30).**

b. **Effective July 1, 2020 the annual fee for each slot machine shall be ten dollars and 61/100 (\$10.61).**

c. **Effective July 1, 2021 the annual fee for each slot machine shall be ten dollars and 93/100 (\$10.93).**

5. For each jukebox per quarter, the license fee shall be as identified below. The Licensee will be charged the annual fee for each jukebox licensed to them upon renewal and shall pay the annual fee as part of the business license fee.

a. **Effective July 1, 2019 the annual fee for each slot machine shall be ten dollars and 30/100 (\$10.30).**

b. **Effective July 1, 2020 the annual fee for each slot machine shall be ten dollars and 61/100 (\$10.61).**

c. **Effective July 1, 2021 the annual fee for each slot machine shall be ten dollars and 93/100 (\$10.93).**

[...]

C. **Effective July 1, 2021 the fee for each fee contained in Title 3, Chapter 5 may be amended from time to time by resolution of the City Council provided the requirements of NRS 237.080 and NRS 237.090, as amended or restated, are completed.**

All other provisions of Title 3, Chapter 5, Section 4 not changed herein, shall remain unchanged.

Section 2. Effective Date. This ordinance shall become effective twenty (20) days after its passage, approval and publication according to law.

Section 3. Proposing Parties. The foregoing ordinance was proposed by Mayor Melody Van Camp, at the regularly scheduled meeting of the Ely City Council on May 23, 2019, read by title and referred to the City Council of the City of Ely, as a committee of the whole.

**BILL NO. 2019-07
ORDINANCE NO. 724**

An Ordinance amending Title 3, Chapter 6, Section 10 entitled PROSTITUTION, License Fees, making this provision consistent with other provisions of the City Code for business license categories, calculation of points, and the date upon which renewal licenses are due.

WHEREAS, N.R.S. 266.105 empowers the Ely City Council to pass ordinances necessary for the municipal government and the management of the affairs of the City, for execution of all powers vested in the City, and for making effective the provisions of Chapter 266 of the Nevada Revised Statutes; and

WHEREAS, City Code 3-6-10 requires quarterly payment of license fees, which is inconsistent with other provisions of Title 3, Chapter 1 in the methodology for calculating license fees and renewal dates; and

WHEREAS, the City has been calculating business license fees utilizing the methodology for all other business licenses and this Ordinance is intended to codify that methodology.

NOW, THEREFORE, the City Council of the City of Ely DOES AMEND ELY CITY CODE TITLE 3, CHAPTER 6, SECTION 10 AS FOLLOWS:

SECTION 1: ORDINANCE ENACTMENT

3-6-10: LICENSE FEE:

A. ~~Quarterly~~ **Annual** Fee: Every licensee shall pay such amounts as determined from time to time by resolution of the city council per ~~quarter year~~ for the privilege of operating a house of prostitution in the city effective October 1, 1986. Said fees shall be paid in the first day of July each ~~quarter year~~ and shall accompany the ~~quarterly annual~~ renewal application **pursuant to 3-1-7.**

B. **Effective July 1, 2019 the annual fee for licensing shall be as established in City Code Title 3, Chapter 1.**

C. **Effective upon passing, the prostitution work card must be re-issued on a quarterly basis and by paying the applicable prostitution work card fee at the rate set by the City Council by resolution.**

All other provisions of Title 3, Chapter 6, Section 10 not changed herein, shall remain unchanged.

Section 2. Effective Date. This ordinance shall become effective twenty (20) days after its passage, approval and publication according to law.

Section 3. Proposing Parties. The foregoing ordinance was proposed by Mayor Melody Van Camp, at the regularly scheduled meeting of the Ely City Council on May 23, 2019, read by title and referred to the City Council of the City of Ely, as a committee of the whole.

ACKNOWLEDGMENTS

Please **READ ALL** of the following statements and **INITIAL EACH** of the boxes to indicate you have read and understand each of the statements. If you have any questions, contact Janette Trask, (Human Resources Department).

- ☒ All offers of employment and all information regarding compensation and other terms and conditions of employment will be made in writing. Verbal statements may not be relied upon.
- ☒ This application is the property of City of Ely and will become part of my personnel file if I am hired.
- ☒ I authorize City of Ely to contact any employer or individual that I have listed on my employment application and/or resume or mentioned during job interviews, to obtain from them any relevant information regarding my previous employment, military service, criminal history, characteristics or traits necessary for job performance, or other relevant qualifications for employment and/or continued employment with the City of Ely. In addition, I authorize the City of Ely to conduct a background search, which includes criminal history and military history. In addition, if the position I am applying for requires driving an employer vehicle, I authorize employer to conduct a Department of Motor Vehicles (DMV) search. If the position to which I am applying involves contact with minors or with any persons having diminished capacity to care for themselves, a search of government sex offender registries may be conducted. I further authorize the City of Ely to contact any institution and/or licensing authority to verify my possession of education, licenses, and/or certificates, which may qualify me for employment.
- ☒ In exchange for the City of Ely's consideration of my employment application, and/or my continued employment with the City of Ely, if any, I authorize anyone possessing information to furnish it to the City of Ely upon request, and I release the organizations and all individuals providing the information or acquiring the information, including the City of Ely, from all claims, liability, and damages whatsoever claimed to be related to furnishing, obtaining, or using said information. This release applies to, but is not limited to, claims for defamation, libel, slander, infliction of emotional distress, and interference with current or prospective economic relations.
- ☒ I further understand this consent will apply during the entire course of my employment with the City of Ely should I obtain such employment. I understand and agree this consent shall remain in effect indefinitely.
- ☒ I hereby certify that all statements made in this application are true. I understand that any false statement of material facts herein may cause forfeiture on my part of all rights to any employment with the City of Ely. I understand that any misrepresentation, falsification, or material omission of information may result in my failure to receive an offer, or if I have been hired, in my dismissal from employment regardless of length of employment. I understand that neither this document nor any offer of employment from the City of Ely, constitutes an employment contract unless a specific contract document to that effect is executed. I agree to undergo any job-related physical examination and drug screening upon conditional offer of employment. I further understand and agree that this paragraph applies to any information supplied by me at a later date as part of this application.

Additionally, my signature below certifies that the information provided is true and correct to the best of my knowledge.
